YOUR DONATIONS HELP TO SUPPORT THE FOLLOWING PROGRAMS

✓ Training programs

National Radon Proficiency Program (NRPP/NRSB)

All courses have been approved by NRPP/NRSB* after careful development and review. Because of this, state programs also accept the courses (the only exceptions are where state protocols differ from the national protocols or a preference for classroom only courses).

**National Radon Proficiency Program /National Radon Safety Board (NRSB)*

- Radon & Radon Decay Product Measurement Course
- Associated Courses
- Radon Mitigation Technology
- NRPP and NRSB Measurement Exam Prep
- Presenting Radon Programs
- Resources for Radon Professionals

Creative Training

- Story Xperiential walks the PYA through the entire storytelling process as practiced at Pixar to create their own radon and health care story.

Trips to Events

- PYA participate in trips to conferences and community affairs to gain true and applicable knowledge.
